TAKE THIS OPPORTUNITY AND GET AHEAD WITH OUR FAST TRACK GAS RE-ASSESSMENT PACKAGE

SECURE YOUR PLACE TODAY WITH A SMALL DEPOSIT

GAS RE-ASSESSMENT PACKAGE

BY PGL TRAINING

Our reassessment package has been designed to make your experience as easy as it can be whilst using the opportunity for home study and with added course value including virtual learning. We offer you outstanding training materials which have been created by our industry experts ensuring that the materials are informative and user friendly. Once the home study has been completed and the training and assessment centre is back fully operational you can book onto one of our evening, weekend or daytime assessments, we understand here at PGL that despite the uncertain times we have ahead the focus needs to be to on a more positive future, keeping our engineers in work for longer.

WHAT ARE THE BENEFITS?

***With this package
you will...***

Stay ahead with using this opportunity for home study, this means 1 day less at the centre

Gain priority booking on evenings, days and weekend assessments

Keep your customers safe
